Practical SharePoint 2013 Governance (Expert's Voice in Sharepoint) Steve Goodyear

Practical SharePoint 2013 Governance is the first book to offer practical and action-focused SharePoint governance guidance based on consulting experiences with real organizations in the field. It provides the quintessential governance reference guide for SharePoint consultants, administrators, architects, and anyone else looking for actual hands-on governance guidance. This book goes beyond filling in a governance document template and focuses entirely on actions to take and behaviors to adopt for addressing real-world governance challenges.

- Walks you through how to define what SharePoint offers and who is involved
- Offers key governance strategies for you to adopt or advise to your customers
- Provides real-world examples that apply each governance concept to an actual scenario
