The Silent People Walter Macken

The second novel in Walter Macken's epic trilogy following one family through 300 years of Irish history. Continuing the adventures of several generations of one Irish family, *The Silent People* is the story of a young educated man from Connacht, and life at the time of the famine in Ireland. Despite his reluctance, Dulta is drawn into the political unrest of his times because of the degradation of the people by tyrannical landlords and inescapable injustices. Along with *Seek the Fair Land* and *The Scorching Wind*, *The Silent People* is a fascinating examination of the history and events that fueled the fight for freedom in Ireland.
