Jase Insico Being a twin sucks. Watching my brother's slowly fall in love sucks even worse. One party and things change; no not like Brantley's story, our story is different. Just like the girl I fell in love with while she was under my protection. I made a lot of mistakes with her, but then again I wouldn't take any of them back if the outcome would have been any different. She was worth everything I had to go through. She was trouble with a capital T, but I wouldn't change one minute with her. Wynter Larsen I never expected to get caught sneaking into some guys apartment. Truth be told, I'm glad I did. I found the man of my dreams even if I didn't believe it for myself for a while. Jase wasn't like everyone else. He believed me and protected me no matter the cost. He went up against his own family and the man who had been after me for weeks. He was my saving grace and I could never thank him enough for what he did.
