A Concise History of Romanians Neagu Djuvara

This book presents captivating stories about Romania's past in the larger context of European and world history. Prof. Djuvara sets aside the academic tone to recount the story of Romanians, without taboos or prejudices. Common misunderstandings are brought to light and clarified, such as the story of Vlad the Impaler and the role played by Romania in World War II. Read about the wars between Dacia and Rome, barbarian invasions, the assimilation of other populations, the complex history of Transylvania, Moldavia and Wallachia and about great sacrifices made in defense of Christianity. This translation published by Cross Meridian (Canada) is dedicated to young people of Romanian descent who live in countries where English is spoken or understood.
