This warmhearted helping children's book is based on two oddly fun characters. Melvin the one antler moose that shies away from others because he is abnormal in the sense that he just doesn't fit in with his own kind. And Murtle a very slow turtle who faces difficulties in every day life with traveling to destinations he needs to be or would like to be. Melvin overcomes his shyness by befriending other animals that live in the nearby woods. He becomes a helper of the woods to other animals in need and visits with them for friendship. In this book he befriends this slow turtle Murtle by helping him get to his dentist appointment on time. Look for many more adventures of Melvin and Murtle as they begin their fun filled journey in the woods helping other animals.
