Falling Awake: Poems

Alice Oswald

Falling Awake: Poems Alice Oswald

“Vivid . . . further proof of her bold engagement with poetry’s narrative possibilities.”?Teju Cole

Alice Oswald’s award-winning and highly acclaimed volume *Memorial* (“wryly ingenious,” said the *New York Times Book Review*) portrays fallen soldiers from Homer’s Iliad. *Falling Awake* expands on that imagery?defining life as a slowly falling weight, where beings fight against their inevitable end. Oswald reimagines classical figures such as Orpheus and Tithonus alive in an English landscape together with shadows, flies, villagers, dew, crickets?all characterized in tension between the weight of death and their own willpower.

FROM “VERTIGO”

let me shuffle forward

and tell you the two minute life of rain

starting right now

lips open and lidless cold all-seeing gaze
