Lessons of the Venezuelan Experience (Woodrow Wilson Center Press)

Lessons of the Venezuelan Experience (Woodrow Wilson Center Press)

Until two attempts at military coups in 1992, Venezuela enjoyed political stability that was exceptional for a Latin American nation under a succession, going back to 1958, of constitutionally chosen presidents.

Venezuela had leaders who were socially responsible and progressive, funding social programs with money the state earned from petroleum exports. What had weakened the foundations of that stability by the 1990s?

In this book a group of scholars reviews Venezuelan exceptionalism and the key institutions that had atrophied economically, socially, and politically. The authors draw lessons on the need for public accountability in a democracy in the light of these specific failures of the government and other institutions in Venezuela. They examine the major political players - political parties, popular opinion, the military; sectors of the economy; state, populism, corruption, and crisis; and Venezuela's foreign relations.
