## **The Singing Thing: A Case for Congregational Song** John L Bell

This delightful new handbook by John L. Bell of the Iona Community explores the reasons we, as humans, are compelled to express ourselves in song. John has compiled a list of charming introspections about what motivates us to sing or prevents us from singing. Whether we sing to tell stories or don't sing because someone once told us we can't, this engaging and enlightening book examines why everyone can sing and why everyone should. A must-read for choir directors, cantors, and song leaders.
