Most people when they see spray-painted pieces it is annoying to look at. Graffiti has been getting recognized by the art world more and more as an acceptable form of art. When most people think of graffiti they imagine “TAGS” or a style of writing of a person name. Graffiti art is much more than that. It can mean a colorful mural with a message of diversity or a black and white stencil pencil piece protesting police brutality. In any case, graffiti art makes a statement. You can find most graffiti in public spaces, after all, that’s what makes it graffiti. However, after years of gaining recognition and earning its place in the art community, graffiti art has been shown in various galleries in New York and London. Artist are ask to do custom-made legal murals and other work for art shows.
