They say that 95% of the world's bourbon is made in Kentucky, but the Commonwealth is also gaining a reputation for producing refreshments for the more refined palate. In *Wineing Your Way Across Kentucky*, authors Becky Kelley and Kathy Woodhouse travel across the Bluegrass State in search of the region's best wineries. This book was created to spotlight all the wonderful wineries of Kentucky and the wide array of vintages available. Some of the wineries have full menus of Kentucky delicacies, a few offer streams for canoeing and fishing or tours for hiking, several offer overnight accommodations, and many want to assist in creating unique experiences for special events. Whether or not they host events and how many they can accommodate is noted on each winery's page, along with a description of their selection of vintages. Most importantly, all of them want to facilitate good times with wonderful people, and an appreciation of Kentucky crafted wines. *Wineing Your Way Across Kentucky* is the perfect guide to all the beautiful wineries available right here, in Kentucky.
