2-in1 Book Combo in the Blessed and Highly Favored Series. Can a man still love a woman when she is destroying his career and turning him away from the principles he lives by? Can a man prove his innocence when all odds are against him? In “The Politician’s Wife” Eric Morrison’s wife, Linda, hits a football superstar while driving drunk, and Eric tries to cover it up. But Linda is now ready to atone for her sins. With help from unexpected places, she finds the strength to stop drinking and gives her life to Christ. Eric is thrilled when his wife stops drinking. However, when she tells him that she wants to start an organization that helps recovering alcoholics put their lives back together and that she intends to use some of his father’s foundation money to do it, Eric rejects the idea, convinced that it will put his bid for governor at risk. Then a blackmailer threatens to reveal pictures of his wife’s drunk-driving accident unless he receives ten million dollars. Eric must decide whether he will stand up for the truth that his father taught him and that his wife also believes in or sell his soul for public office. In *The Playboy’s Redemption* After a very public argument over child support payments, the mother of Shawn Morrison’s third child is found dead. The police believe that Shawn is involved and bring him in for questioning. In the fight of his life, Shawn turns to the brother who disowned him and the ex-fiancé who left because of his cheating ways, and wants nothing to do with him. But Lily is now a born-again Christian and feels compelled to help her lost love. Will stepping back into Shawn’s world prove to be too much for Lily to handle? Or will her forgiving heart and new attitude concerning morality finally help Shawn turn back to God in this, his darkest hour?
