Breach of Trust: How Washington Turns Outsiders into Insiders Tom A. Coburn M.D., John Hart
Tom A. Coburn, a congressional maverick who kept his promise to serve three terms and then leave Washington, offers a candid look at the inner workings of Congress - why the system changes politicians instead of vice versa. Breach of Trust shows listeners, through shocking behind-the-scenes stories, why Washington resists the reform our country desperately needs and how they can make wise, informed decisions about current and future political issues and candidates. This honest and critical look at "business as usual" in Congress reveals how and why elected representatives are quickly seduced into becoming career politicians who won't push for change. Along the way, Coburn offers listeners realistic ideas for how to make a difference.
