Fabric Dyeing and Printing Kate Wells

This work guides the reader through the choice of fabric types, the range of dye recipes and the profusion of traditional and new techniques. Exploring the patterning options with the help of detailed step-by-step photography, this book enables the reader to choose and work through any one of the over 30 techniques including: Preparing natural dyes; to printing with foils; hand-block printing to screen printing and the use of resist techniques. In addition, the work of contemporary designers such as Georgina von Eztdorf, Timney Fowler, Cressida Bell, and Janet Stoyale, is highlighted to demonstrate how techniques can be combined and interpreted.
