Garden Butterflies of North America: A Gallery of Garden Butterflies & How to Attract Them Rick Mikula

Garden Butterflies of North America is a vivid color portfolio of 40 of North America's most treasured and colorful garden butterfly varieties. It's also loaded with natural history vignettes of the individual butterflies as well as illustrated information on how to design and manage gardens and backyards to attract them. You will find numerous charts and plans for all types of gardens, from a container garden to a full-sized formal garden, specific details on plants that attract butterflies, how-to diagrams for building a butterfly hibernating box, and water sources such as ponds, fountains, mud baths, and waterless ponds. Rick Mikula is the founder of the Hole-in-Hand Butterfly Farm where he's been breeding and selling butterflies in seven greenhouses since 1980. His work has been profiled in People magazine, The Wall Street Journal and on the Discovery Channel. In addition, Mikula serves as the butterfly habitat consultant for many universities, zoos, museums and aviaries.
