General Test Guide 2013: The "Fast-Track" to Study for and Pass the FAA Aviation Maintenance Technician (AMT) General Knowledge Exam (Fast Track series)

The Fast Track series is designed to prepare applicants who are seeking Federal Aviation Administration (FAA) certifications for the full range of material on each test of the series. Prospective test takers are supplied with questions that have been used in the FAA's knowledge exams for aviation mechanics along with an answer key, explanations, and references to quickly improve their comprehension and retention of the test and study materials. Learning Statement Codes (LSC) are also included, enabling students to easily interpret which subject areas are indicated as needing further study on their knowledge test reports.

This volume of the series deals with the "General" section of the FAA Knowledge Requirements for Aviation Maintenance Technicians.
