Excerpt: It was a late Wednesday night and I had just gotten out of the shower. The music is playing loud and the lights are on. As I'm drying off and walking around the room, I walk by the window. Your room light is on and it catches my eye. I pause long enough to catch you walk into your bedroom still dripping wet from your shower. I stood there and watched you dry off, then rub lotion all over your body. As you were finishing up with the lotion your boyfriend walked in. You hopped up and into his arms as the two of you started to kiss passionately. I reach over and turn out the lights as I post next to the window to watch you. He sits you in a chair running his hands through your wet hair. You unzip his pants but he pulls away. You start to pout, and then he pulls out some rope. The sexiest grin comes across your face as he tied your hands and feet to the chair. You try to bite and lick him but he keeps teasing you. As I watch him blind fold you a fit of jealousy hits me. Before I know I'm in sweat pants and a t-shirt, heading out the door. I run across the grass and ring your doorbell.
