Porsche: All the Cars Lorenzo Ardizio

Porsche, the great Stuttgart-based manufacturer, certainly needs no introduction. In over 60 years, it has built unforgettable road and racing cars, which have every right to be part of the fabric of motoring and motor sport history. Their designations may be numbers, but behind each one of them there is a legendary car; the 356, 911, 928 and 959, the 550, 906, 908, 917, 956 and 962 are just some of the cars that make up this first 'virtual gallery'. An assembly of all Porsche's fundamental models in chronological order, their stories told in brief passages complete with their technical and design specifications. A true vademecum that has to be part of every Porsche enthusiast's library.
