Swallow the Leader Danna Smith

An expressive group of cheerful fish play follow the leader in their ocean habitat, unaware that a shark lurks in the background. Count the fish from one to ten as each joins the game, then count back down to one when the leader snacks on a sea spider and sets off an unfortunate chain reaction (swallow the leader!). Luckily for everyone, fish number ten—the shark—gulps down his prey too quickly, and *burrrrrrrp!* they all swim out again.

Lively rhymed text and energetic artwork combine in this exuberant counting book that's sure to delight little ones learning their numbers.
