Common Grace: God's Gifts for a Fallen World, Volume 1

Abraham Kuyper

Common Grace: God's Gifts for a Fallen World, Volume 1 Abraham Kuyper

In *Common Grace* Abraham Kuyper presents a constructive public theology of cultural engagement rooted in the humanity Christians share with the rest of the world. He addresses a gap in the development of Reformed teaching on divine grace, and he articulates a Reformed understanding of God's gifts that are common to all people after the fall into sin. This first volume contains Kuyper's demonstration of common grace in its origin and operation.

This new translation of *Common Grace*, created in partnership with the Kuyper Translation Society and the Acton Institute, is part of a major series of new translations of Kuyper's most important writings. The Abraham Kuyper Collected Works in Public Theology marks a historic moment in Kuyper studies, aimed at deepening and enriching the church's development of public theology.
