## Fleximap Singapore Insight Guides

Fleximap Singapore includes 5 maps: the main map is a detailed street map of central Singapore (1 : 12 500) with points of interest and general tourist information clearly marked. A larger scale map of the Singapore area (1 : 130 000) provides a useful overview of the city-state, and there are also maps of Sentosa island (1 : 30 000), the city's Metro system and the southern reaches of neighbouring Malaysia (1 : 3 750 000).

In addition to the mapping, Fleximap Singapore also includes a list - with descriptions and photographs - of 28 recommended sights, divided by theme and linked to the mapping by numbered markers. There is also a handy information section with concise details on getting around the city, tourist offices, money, tipping, opening times, public holidays, telecommunications, emergency telephone numbers, and climate.
