**Because creating a tiny human isn't just sunshine and smiles!**

Being "a little bit pregnant" may not be a thing. But being "so pregnant"? It's so possible. In the hilarious *I'm So Pregnant*, mom and illustrator Line Severinsen delivers the often ignored but always honest truth about those magical (and sometimes messy) nine months of pregnancy. From morning sickness that lasts all day to weird dreams that last all night and heartburn that just won't quit, Severinsen perfectly captures what it is really like being pregnant. Unlike strangers touching your belly, these playful and adorable cartoons will touch your heart and give a whole new meaning to the term "belly laugh."
