**ALERT:** Before you purchase, check with your instructor or review your course syllabus to ensure that you **select the correct ISBN**. Several versions of Pearson's MyLab & Mastering products exist for each title, including customized versions for individual schools, and registrations are not transferable. In addition, **you may need a CourseID**, provided by your instructor, to register for and use Pearson's MyLab & Mastering products.

### Packages

Access codes for Pearson's MyLab & Mastering products may not be included when purchasing or renting from companies other than Pearson; check with the seller before completing your purchase.

### Used or rental books

If you rent or purchase a used book with an access code, the access code may have been redeemed previously and you may have to purchase a new access code.

### Access codes

Access codes that are purchased from sellers other than Pearson carry a higher risk of being either the wrong ISBN or a previously redeemed code. Check with the seller prior to purchase.

*For all Intermediate Microeconomics courses at the undergraduate or graduate level.*

**Microeconomics** has become a market leader because Perloff presents theory in the context of real, data-driven examples, and then develops intuition through his hallmark Solved Problems. Students gain a practical perspective, seeing how models connect to real-world decisions being made in today's firms and policy debates.

The **Seventh Edition** is substantially updated and modified based on the extremely helpful suggestions of faculty and students who used the first six editions. Every chapter is thoroughly revised and includes new or updated examples and applications.

MyEconLab for *Microeconomics* is a total learning package for the intermediate microeconomics course. MyEconLab is an online homework, tutorial, and assessment program that truly engages students in learning. It helps students better prepare for class, quizzes, and exams—resulting in better performance in the course—and provides educators a dynamic set of tools for gauging individual and class progress.

This program will provide a better teaching and learning experience—for you and your students. Here's how:

- **Improve Results with MyEconLab:** MyEconLab delivers proven results in helping students succeed and provides engaging experiences that personalize learning.

- **Help Students Review and Apply Concepts:** Examples and exercises help students practice and connect to real-world decisions being made today in today's firms and policy debates.
- **Keep Your Course Current and Relevant:** New examples, exercises, and statistics appear throughout the text.0133456919 / 9780133456912
