This deck of Knowledge Cards brings you 48 essential tips for achieving spectacular results in your own outdoor photography. Each card features a miraculous color photograph of an animal, plant, or landscape; the image exemplifies what can be achieved using the hints and observations on the card's back. Nature Photography covers composition, equipment, technique and conceptual preparation for the shot you hope to capture.

Along with notes on the equipment used to obtain the photographic example, and lucid explanations of what a given piece of gear will help you accomplish, Tim Fitzharris--the author of *The Sierra Club Guide to 35mm Landscape Photography* and *The Sierra Club Guide to Close-up Photography in Nature*--addresses aesthetic subtleties and pro-level criteria for choosing shots. Never has so much authoritative (but unintimidating) information been presented in such a concise and packable format.

By Tim Fitzharris. A portion of the proceeds from the sale of this product supports Sierra Club's efforts to preserve and protect the planet. Printed on recycled paper. Size: 3 1/4 x 4 inches.
