Nia Mella Reese

Nia has struggled with the fact that she is a princess and not taken seriously as an acceptable choice to become heir to the throne of Brychan. She is just a "woman" after all. To keep herself busy, she has taken on the roll of "healer" (following in her Mother's footsteps) & is preparing to marry her love Andras. When her father - a King who loves war - accepts a "gift" on her behalf, Nia's world is turned around. Her "gift", and now constant guard, Garreth helps her discover friendship, a sense of worth and responsibility to learn more about her kingdom and herself. Your heart can't help but go out to her. It's a roller coaster of emotions and you won't want to put it down! (Amazon book review)
