Nikki Boyd's flight into Nashville was routine--up until the crash landing at the airport. When the dust settles, Nikki discovers that the woman who had been seated next to her on the plane is missing--and no one will admit she was ever there. Erika Hamilton had been flying to Nashville with an air marshal as a key witness in an upcoming grand jury trial. When she flees from the crash, is she running *from* trouble or straight into it? Before Nikki can even see her family, she and her team are pulled into a missing persons case where the motives are as unclear as the suspects.

Bestselling and award-winning author Lisa Harris has planted danger around every turn in this can't-put-it-down thrill ride that will leave readers stunned.
