The Dog's Tale - A Life in the Buda Hills, Second Edition Rani Drew

Béla is rescued as a puppy and raised by a young woman and her mother in the Buda Hills overlooking Budapest. He observes, listens, and learns about the world around him and his life is full and happy until tragedy strikes. Then he must make a decision. This is no shaggy dog story, it is on one level a heart warming story told by a small dog during unsettled times. On another level it is a literary work with the Kafakesque element of first-person narration by a domestic animal. The epistemological, sociological and existentialist perceptions of the dog form a critique of the human world. The Dogs Tale draws on the Indian Panchtantra stories, the Buddhist Jatakas and tales of the Chinese Zodiac.
