Corporate Bankruptcy and Financial Reorganization (Aspen Casebook Series) Richard Squire

The first edition of Corporate Reorganization in Bankruptcy is designed to teach students the legal and financial principles of business bankruptcy law. The casebook is ideal for second- and third-year law students who are considering a career in business bankruptcy specifically. Each chapter is comprised of case excerpts with questions to prompt discussion and analysis, short readings that summarize the relevant rules, doctrines, and financial concepts, and problems requiring students to apply the legal and financial principles learned from hypothetical fact patterns. With an emphasis on the principles of finance, Corporate Reorganization in Bankruptcy examines each of the major types of investors in a business corporation. In addition, it includes a thorough treatment of Section 363 sales, banking and systemic risk.
