Do you have a Ouija board at your home? Have you ever tried using it? If yes, what experiences do you have with it? Are they good, or bad? If you haven't used it yet, will you ever try it?

If you answer yes, I urge you to read this book first for it might change your mind...

If you are fond of excitement, thrill, and suspense, you might be encouraged to bring the board out, call out some adventurous friends, and light up the candles. As you already know, participating in a séance using a Ouija board is a choice. Many people believe it's a ridiculous thing, so they won't even be bothered: when asked if they would like to try it, they would simply shake their heads no.

Others find it interesting; how can you not when you can – if you're lucky – talk to a dead person and learn something about their life when they were still a part of the living world? However, there are those who hated the idea of Ouija boards and yet, they still played with it.

In this book, you'll find 9 creepy, true stories of Ouija board experiences. You might not believe some of them, but please keep an open mind...

Here Is A Preview Of What's Inside...
