*"My goodness! Such beauty and fine smells! Every imaginable flower from the entire year stood there in the most magnificent blossom. No picture book could be more colourful or gorgeous."*

"A little boy and a little girl live happily in a big city.

The little boy's name is Kai, and the little girl's name is Gerda.

But one day, Kai is kidnapped by the wicked Snow Queen and swept away to live for ever in her kingdom of ice.

Follow Gerda as she travels through snow-filled fields and endless forests in order to find her beloved friend. From the city rooftops to the snows of Lapland, from the Northern Lights to the palace of the Snow Queen herself, a mesmerising world of icy journeys is waiting to be brought to life by your pen..."

A gorgeous, beautifully designed coloring book: 30 unique and exquisite spreads, inspired by the classic fairy tale, of line drawings of winter landscapes, flower-filled meadows, crows, princesses, castles and reindeers, accompanied by quotes from Andersen's timeless tale.
