Hunt for Justice: The True Story Of A Woman Undercover Wildlife Agent Lucinda Schroeder
Selected for the 2007 Amelia Bloomer Project list of recommended feminist literature for young readers.

For thirty years, Lucinda Delaney Schroeder held an unusual government position: she was one of the handful of women special agents with the U.S. Fish and Wildlife Service. Her job: to investigate crimes against wildlife. Unlike the majority of hunters who respect both their prey and the laws, evidence was piling up against an unscrupulous outfitter who was decimating populations of big game in Alaska's Brooks Range. In August 1992, she accepted an assignment that forever changed--and endangered--her life. She left her husband and seven-year-old daughter behind in Wisconsin and posed as a big-game hunter in Alaska in order to infiltrate an international ring of poachers out to kill the biggest and best of that state's wildlife.

A Hunt for Justice recounts her dramatic story--a story she was not legally permitted to write about until her retirement in 2004.

Risking personal safety, Schroeder joined a team of government agents to expose and arrest the poachers. Posing as "Jayne," a divorcee who was willing to break the rules in order to hunt trophy animals, the diminutive blue-eyed blonde fooled criminals so wily that their crimes could only be cracked from within. **A Hunt for Justice** takes readers along on Schroeder's dangerous and exciting mission. More than simply an adventure or true-crime tale, it's a story of a woman surviving in a male-dominated field, a woman against the wilderness, and a wife and mother risking it all for a cause she believes in. Whether you are a crime buff, nature lover, sports hunter, or someone who just loves a gripping-first-person tale of justice triumphing over evil, this book is for you.
