Volume V provides a definitive account of operations of the 1st Marine Division and the 1st Marine Aircraft Wing during 1952-1953, the final phase of the Korean War. At this time the division operated under Eight U.S. Army in Korea (EUSAK) control in the far western sector of I Corps, while marine aviators and squadrons functioned as a component of the Fifth Air Force (FAF). Included in the narrative is a detailed account of Marine POWs, a discussion of the new defense mission of Marine units in the immediate postwar period, and an evaluation of Marine Corps contributions to the Korean War.
