The HL30 Technique: How to day trade your favorite currency pair and make 20 to 60 pips almost every day with the easiest Forex day trading strategy ever Joseph Fibonacci

Book Description:

New Forex traders, even traders with 5 to 8 years of experience who still don't have a profitable trading system can use this day trading strategy and make 20, 60 and even up to 120 pips almost each day when this trading signal is confirmed. You don't have to worry any more about when to get in and where to take profits, I will show you exactly how to do it. My coaching students call this day trading strategy “the easiest Forex day trading technique ever” and it really is once you learn it. You will be surprised.

Why you need this book Once you learn this day trading strategy, you will be able to use it over and over again on your favorite currency pair almost every day. If you don't have a proven trading system or you're still jumping in and out of trades “just because price is moving” and you aren't making any money, this book will help you stop all of that right away. Most of my new students learn this technique in 15 minutes and are able to use it right away (please take advantage of the free video lessons/ trading course that complements this book, link is in the book).

You can literally make a living from Forex trading using just this simple day trading strategy alone. This book will save you thousands if not tens of thousands of dollars and years of frustration and pain.

How this book will help you The psychological battles that over come the trader during the heat of the moment will also add to more financial loss. This book will give you the step by step instructions with a simple check list to make sure you confirm and correctly execute this technique every time.

You should be able to execute these strategies within the first day and by the end of the week, you will be using a proven trading system that could potentially replace your current job or source of income. You will learn how to use the easiest Forex day trading strategy ever.

Why am I qualified to help you I have been trading full time, non stop since the spring of 2001. I love trading, it is my passion and the way I am able to take care of my family. I trade primarily the Forex and Futures markets (these strategies can be applied to Futures trading) I have been sharing and teaching my trading system since 2007 through chat rooms with live trade calls and signal services. I have helped hundreds learn how to make over 100 pips per day consistently (when the market provides the opportunity). I have been fortunate enough to teach traders that are just starting their trading career and those who have been trading for several years.

If you are still experiencing fear, hesitation and financial loss but its your dream to succeed as a Forex trader, this book is for you. I have experienced almost every mistake a trader can make and my goal is to help you avoid those experiences and get you to your goal as quick as possible.

Get this book now and start making money tomorrow, its that easy!
