Chloe Stone's life is a hot mess. Determined to stop being so freaking skittish, she packs up her quasi-famous best friend and heads to Florida. The goal? Complete the summer bucket list to end all bucket lists. The problem? Her hot soon-to-be stepbrother, Landon Jacobs.

Landon's mom will throttle him if he even *looks* at his future stepsister the wrong way. Problem is, Chloe is everything he didn't know he wanted, and that's...inconvenient. Watching her tear it up on a karaoke stage, stand up to his asshole friend, and rock her first string bikini destroys his sanity.

But there's more than their future family on the line. Landon is hiding something—something he knows will change how she feels about him—and she's hiding something from him, too. And when the secrets come out, there's a good chance neither will look at the other the same way again...
