Collide Michelle Madow

I should have died when I was shot at the Halloween dance.

Instead I woke up-one week earlier, in a parallel universe where my mom's fatal car accident six months ago never happened.

A world with my mom still in it was all I ever wanted. But in this timeline, everything is different-my grades, my friends, and even my boyfriend. I'm a stranger in my own body, and I don't like who I've become.

But one thing is the same-that shooting will still happen at the end of the week.

I'm the only one who knows. Which means I'm the only one who can stop it.

But first I need to convince someone-anyone-that I'm telling the truth... and then get them to help me.

"A gripping, fast-paced romantic thriller with a unique fantasy twist!"
