Fart-O-Christmas Ho Ho Ho Epic Christmas Farts: Fart Countdown Christmas Calendar Timmie Guzzmann

Black & White Illustrations VERSION Here's what readers are saying about this hilarious Fart Book series: "I got this for my niece, who splits her likes between boy & girl genres. She loved it! I adore hearing her giggles when I read to her. This is a good kid's book for the 5-10 year old age group. Good illustrations, very cute. Your kids will enjoy it!" It's been a crazy holiday for Timmie Guzzmann because recently so many stable factors of his life have been changing for him. He just recently found out about his own fart powers (yes he somehow turned from a normal boy into a fart boy!) that somehow must have been transmitted over to him via some weird transformation technologies, aliens, or some other extraterrestrial and/or not human powers. Timmie assumes that this event is somehow connected to his winning streak during the fart skateboard competition where El Ninjo, his fart dog, was still the one who made the skateboarding powered by Ninja Farts a reality. They won the skateboard competition around the globe because of El Ninjo's Ninja Fart Powers. Timmie remembers a weird dream that he experienced during this competition and somehow his dreams became reality. Who knows maybe El Ninjo is transmitting the powers over to him which is a pretty scary thought because that would make El Ninjo a non unearthy dog! All Timmie knows is that this must have happened in China or Tokyo where the universal energies of Martial Arts kept hitting him the most. Anyways, this material is reserved for a future fart story because all Timmie Guzzmann can think about right now is the urge to countdown to Christmas day the coolest way he can think of and with his new fart powers. It is not up to him to fully understand what has happened to him, but he knows that he can control his own destiny with farts for now and this is enough reason to get creative. All he cares for right now is that some invisible powers must have heard his prayers and made his dreams and wishes become a crazy reality for him. Timmie is now the farting star and this fact is all he is really interested in. What better time than Christmas is there to finally be able to share his fart fantasies and disastrous Christmas fart moments! Timing is perfect and Timmie is letting all his creative fart fantasies out of the sack. In this holiday edition, he is turning his creativity into a cheerful holiday fart spirit sparkle that is loaded and packed with funny, disgusting, deadly, disastrous, lethal, epic, pungent, devilish, and hellish Christmas fart moments and recipes. Don't worry he has even stuffed some real sweeeeeet and sugar coated Christmas fart surprises in Santa's sack as well! The funniest thing about these Christmas Countdown fart surprises is this. As Christmas day approaches, Timmie is intensifying and tuning up the quality of his fart results (in terms of smelliness and sound!) Even a newcomer to farts will get it and know that Christmas actually hit!
