Tutankhamen conjurs all the fascination that people have with Egypt. Ironically very little is known about the boy king. He was born in one of the most traumatic times in Egypt's 3000 year history. The nation's religion was changed to montheism, as was the nation's capital city. Leading egyptologist Bob Brier brings to life the dramatic story of Tutankhamen, the "boy king" who died mysteriously at the very young age of twenty.
