## **Supercat to the Rescue** Kate McMullan

Here's a book that will speak deeply to every young reader who ever broke down at the sight of a green vegetable. Who suffered the trauma of a bonked knee in the playground. Who was forced to go to bed-all alone-in the dark. Yes, Supercat is back! Meowie Wowie! Boo-boo-la, Boo-boo-la! Fresh on the heels of Supercat, the first-ever comic book/board book, the super team of Kate McMullan and Pascal Lemaitre creates an irresistible set of new adventures for the superheroes who-at last-understand toddlers.

Giving Supercat its unique look are Pascal Lemaitre's illustrations, full of charm and energy and a dazzling range of color. Kate McMullan gives Supercat its unique voice-fullof sound effects and hilarious flights of fancy-as well as its entertaining, off-and-running narrative. The perfect size to fit a lap, with rounded corners and a glittery cover, this is a book to catch the imagination of both toddlers and their parents.
