7500 Craps Rolls Thomas Midgley

Using data collected over 7,500 actual dice rolls at casinos, this invaluable book on testing craps systems is a must for serious players.

Using data collected over decades—specifically, on 7,500 actual rolls at casinos—this book is a must to help crapshooters test their systems painfully and risk-free, away from the tables. It answers the question, “Is there a system or combination of systems I could use to beat the casino at craps?” with a resounding yes. Players learn the best way to test their bets and systems for numbers, hardways, line bets, streaks, and the actual random occurrences that happen during real dice games. Organized in columns and with an easy-to-use chart for systems players to mark their notes, Midgley’s work is an absolute must for serious craps players.
