## **I lost her once before, but even if it's taboo I won't lose her again.**

Ten years ago, Deja was too young to know what love is. But she knew that when she looked at Brett, she felt more than she would have if he were just a pretty face.

He was smart, interesting, cool, and... yes, the pretty face didn't hurt, either. They'd almost been an thing, too, until their parents announced their own relationship, and their own engagement.

Deja always regretted that; always regretted how their relationship was nipped in the bud. But after ten years and a thousand miles apart, it wasn't going to happen.

He'd moved on. Hell, she'd moved on. At least, that was what she thought.

So she tried to avoid him when she had to come back to Detroit, but when she needs a place to stay, he's got one.

As close to his bedroom as it can get, and moving closer every day.
