Destiny's Divas: A Novel Victoria Christopher Murray

Secrets, scandal, and sin abound in the private lives of popular evangelic gospel group Destiny's Divas in this page-turning and revealing novel by the *Essence*-bestselling author.

THEY CAN TALK THE TALK, BUT CAN THEY WALK THE WALK?

Sierra, Raine, and Liza are Destiny's Divas, a fresh, new gospel group whose unique blend of singing and testifying has gained them fans across the country. They tell the world about how good God has been to them, but off-stage, each is living a life totally opposite to what she preaches—and each is harboring a secret that could ruin them all.

Twenty-something Sierra Dixon speaks about the joy of being single and celibate, though she is anything but, drifting from one relationship to another. Although she stresses the importance of unconditional love within the family, Raine Omari has hit her breaking point with her mother-in-law and is ready to take drastic steps. And when Liza Washington discovers that her pastor-husband is in the middle of a scandal that could bring down more than just their ministry, she knows she must do something to stop him. One fateful evening their secrets are exposed, and one diva commits an act that could land her in prison for the rest of her life.

Each has motive—who will crack?

From reader reviews:

Kimberly Kiser:

Precisely why? Because this Destiny's Divas: A Novel is an unordinary book that the inside of the reserve waiting for you to snap the item but latter it will surprise you with the secret the item inside. Reading this book beside it was fantastic author who else write the book in such remarkable way makes the content within easier to understand, entertaining technique but still convey the meaning entirely. So , it is good for you because of not hesitating having this any longer or you going to regret it. This book will give you a lot of advantages than the other book have such as help improving your talent and your critical thinking means. So , still want to hold up having that book? If I have been you I will go to the publication store hurriedly.

Goldie Oleary:

Playing with family in a very park, coming to see the ocean world or hanging out with friends is thing that usually you might have done when you have spare time, then why you don't try matter that really opposite from that. One particular activity that make you not experience tired but still relaxing, trilling like on roller coaster you already been ride on and with addition info. Even you love Destiny's Divas: A Novel, you are able to enjoy both. It is excellent combination right, you still need to miss it? What kind of hang-out type is it? Oh occur its mind hangout guys. What? Still don't obtain it, oh come on its referred to as reading friends.

Audrey Stockman:

In this period globalization it is important to someone to receive information. The information will make anyone to understand the condition of the world. The healthiness of the world makes the information better to share. You can find a lot of referrals to get information example: internet, newspapers, book, and soon. You will observe that now, a lot of publisher this print many kinds of book. The particular book that recommended for you is Destiny's Divas: A Novel this reserve consist a lot of the information in the condition of this world now. That book was represented so why is the world has grown up. The words styles that writer value to explain it is easy to understand. The actual writer made some study when he makes this book. Here is why this book appropriate all of you.

John Hagen:

On this era which is the greater particular person or who has ability in doing something more are more treasured than other. Do you want to become among it? It is just simple solution to have that. What you should do is just spending your time almost no but quite enough to possess a look at some books. On the list of books in the top collection in your reading list is Destiny's Divas: A Novel. This book that is certainly qualified as The Hungry Hillside can get you closer in turning into precious person. By looking upwards and review this book you can get many advantages.
