Warren Ellis, Humberto Ramos

DV8 Warren Ellis, Humberto Ramos

From red-hot creator Warren Ellis and fan-favourite artist Humberto Ramos comes a story of a superteam with a serious difference: they're not exactly the 'good' guys...Meet Threshold, Evo, Sublime, Bliss, Powerhaus and Copycat - products of the same programme which produced the Gen 13 kids (who can be seen in Superman/Gen 13), and under the combined mentorship of the beautiful, evil Ivana Baiul and the barking mad Sideways Bob. Super-powered, super-cool, holed up in luxury apartments in a run-down part of New York City, they're entering a world they think they can understand...but do any of them truly realise what they've gotten into?

From reader reviews:

Amanda Mathis:

What do you think about book? It is just for students since they're still students or that for all people in the world, the actual best subject for that? Merely you can be answered for that question above. Every person has diverse personality and hobby per other. Don't to be compelled someone or something that they don't would like do that. You must know how great and important the book DV8. All type of book are you able to see on many sources. You can look for the internet methods or other social media.

Michael Counts:

In this 21st millennium, people become competitive in most way. By being competitive at this point, people have do something to make these individuals survives, being in the middle of typically the crowded place and notice by simply surrounding. One thing that at times many people have underestimated this for a while is reading. Sure, by reading a book your ability to survive enhance then having chance to stand than other is high. In your case who want to start reading a new book, we give you this specific DV8 book as nice and daily reading e-book. Why, because this book is more than just a book.

Walter Harman:

Are you kind of stressful person, only have 10 or 15 minute in your morning to upgrading your mind skill or thinking skill possibly analytical thinking? Then you are having problem with the book when compared with can satisfy your short time to read it because this time you only find guide that need more time to be learn. DV8 can be your answer given it can be read by anyone who have those short extra time problems.

Michael Hansen:

Reading a book being new life style in this yr; every people loves to study a book. When you learn a book you can get a wide range of benefit. When you read guides, you can improve your knowledge, because book has a lot of information onto it. The information that you will get depend on what types of book that you have read. If you would like get information about your review, you can read education books, but if you act like you want to entertain yourself read a fiction books, these kinds of us novel, comics, and also soon. The DV8 provide you with new experience in studying a book.
