Neurology for the Specialty Boards (Board Review Series) David S. Gloss MD, Leon A. Weisberg

Neurology for the Specialty Boards is an ideal study guide and review for the American Board of Psychiatry and Neurology certification and recertification exams and for the annual in-service exam taken by neurology residents. The book sharply focuses on high-yield material and includes over 200 questions at the level of difficulty encountered on the boards.

Coverage includes an extensive basic science section, a detailed review of current neurophysiological modalities, and chapters on all the clinical neurology areas covered on the boards. The largest clinical chapter is on pediatric neurology, an area that is heavily tested on the boards.
