This spiritually significant work is a profound series of dialogues between one of the great sages of our time and his inquirers. These "Talks" offer a genuinely universal approach to Truth, by directly pointing to the certainty of our essential nature. By applying even a few of these passages to our life, we can become aware of the ever-present, abiding Reality. Through the wise words of this beloved sage, we are clearly and consistently shown how to reclaim our innate Freedom--simply by looking in the right place and discovering what has always been present. A fundamental shift of attention is all that is required. By approaching these dialogues in the spirit of inquiry, one has the opportunity to awaken to a greater Reality: that of our own Being, our true Self.
