The Miracle Revolution

Mark Landau

The Miracle Revolution Mark Landau

An erotic, spiritual, healing, adventure, save-the-world, space opera, fantasy novel that will shock and delight you. Fifty Shades of Grey meets Lord of the Rings meets Wonder Woman meets the Rapture. Beware, it's genre bending, boundary breaking, mostly nonviolent and contains sporadic super-kink, graphic super-sex and some deep, true, special, precious, honest-to-God wisdom.

"This is a book like no other I can remember reading... It is an entertaining, erotic, spiritual, rollicking good time of a simple sci-fi story that will probably provoke you, turn you on (or off) and possibly, if you let it, gently remind you of values long since buried in the cynicism of the 21st century western world. *The Miracle Revolution* is a fantasy about healing the world and the realization of dreams that western societies have long since abandoned or never even dreamed. And it is a love story." Bruce MacLaren

Keywords: Erotica, Fantasy, Science Fiction, Adventure, Healing, Spiritual, Novel, Fiction, Ascension
