Aston is just a typical small town. But when a skeptical reporter and a prayerful pastor begin to compare notes, they suddenly find themselves fighting a hideous New Age plot to subjugate the townspeople, and eventually the entire human race. The battle rages in the spirit world between Rafar, leading his legions from the world of darkness, and Tal, leading his army of angels. The battle is unseen by the townspeople, but they feel its presence and the vortex of evil threatening to annihilate the town and its people. Pastor Hank Bushe and newspaperman Marshall Hogan join the battle, and lead the human crusade against the plotting of others in the town. The fighting is vicious and the outcome is unforgettable. Read by Jack Sondericker. 16 CD's 17.8 Hrs.
