Meet the softest and sweetest ponies around in this classic DK board book filled with clear photography, simple text, and fun textures for young readers to explore.

*Touch and Feel: Ponies* is a beloved family favorite that keeps young readers engaged with pages that encourage exploration and help develop fine motor skills while building an early language foundation.

Practice animal recognition and sounds, and help your baby learn what a pony may feel when like when touched. Pet a pony's soft fur and smooth nose on tactile board pages that are perfect for small hands.

With appealing touch-and-feel elements on every spread, DK's Touch and Feel series is a favorite for both parents and children, in a larger format than DK's Baby Touch and Feel books. Babies and toddlers will be drawn to the shiny jacket, while the bright, bold interior pages help them develop object recognition, and the descriptive text builds their language skills.
