Waves of Murder J B Raphael

Driven by greed, a hunger for the high life and finally the devil, Jon Weston embarks on an international voyage of murder and high-class jewellery thefts. His good looks soon get him into the hearts and beds of rich women on expensive cruises. Then evil takes over his very quest for more and more, but after dodging the Russian mafia, the police forces of America, England and central Europe, he finally succumbs to his blackened soul and enters hell. A fast-paced thriller by the author of Escaping the Sun. The pace is unrelenting as we enter the mind of a young man, of good family and education, and study the descent of morality caused by the lack of employment possibilities.
