**Have you ever wondered if your boss is evil?**

David Graves is having a bad life. A bill collector is threatening him with grievous bodily harm. His girlfriend thinks he's an incompetent loser. His human resources manager, a creature of nightmare, is sexually harassing him. And when he finally meets a girl he likes, she seems more interested in rebuilding engines and committing random acts of violence.

Still, David thinks he is doing all right--until he discovers his bosses are Satanists and his employment contract dooms him to an eternity of telemarketing and damnation...

Minion of Evil is frightfully accurate portrayal of identity theft, computer hacking, wrench wenches, monomaniacal supervisors, and what really goes on behind closed doors in customer service.
