Compassion is the key to good medical care, but today's practitioners are so busy they often feel they don't have the time to give patients the best clinical care and the compassionate attention they deserve. This book delivers the help healthcare professionals need. Through engaging and inspiring stories, Dr. Harpham, internist and survivor of chronic cancer, helps readers think and talk about everyday problems in patient care. She encourages readers to engage the healing power of compassionate words and actions that take only seconds to say or do, but which can make a world of difference for patients. *Only Ten Seconds to Care will help clinicians at all levels bring compassion and joy back to patient care!*
