Poems for Paula

Frederick Morgan

Poems for Paula Frederick Morgan

Frederick Morgan's "Poems for Paula" is that rare thing in art: an intricate, interlocking collection of lyric and meditative poems that celebrate one of the true-life, contemporary love stories (that of the author and his co-editor at "The Hudson River," Paula Deitz) of the last twenty-five years. Inventive, formal, wise, wry, and intelligent, these poems honor and explore the enduring, mythic power of love, and of lives taking clear and solid shape in its forge.
